Die Firma PKM-Poniatowska wurde 2001 gegründet.

Wir produzieren seit nun mehr 20 Jahren mit Erfolg Zaunanlagen und diese zur Zufriedenheit für tausende Kunden.

Ständig haben wir an der Verbesserung unserer Qualität und der eingesetzten Materialien gearbeitet.

Viele neue Designs wurden erfunden und schmücken in großen Teilen von Westeuropa die privaten Grundstücke. Begonnen hat alles in einer kleinen Werkstatt, heute sind wir einer der größten Produzenten der Region.

In jeder Produktionsstufe arbeiten gut ausgebildete Fachkräfte und Spezialisten.
